Introduction

Probus South Pacific Limited (PSPL) provides a wide range of services to Probus Clubs, Probus Associations and Probus Club members which include the Probus Australia National Insurance Program (the Program).

Aon Risk Services Australia Limited (Aon) is PSPL's Risk & Insurance Advisor whose role is to ensure that PSPL, Probus Clubs, Probus Associations and Probus Club members have a market-leading insurance program.

This Insurance Coverage Summary has been compiled by Aon in conjunction with PSPL Executives to provide a broad outline of the Program and contains a brief description of the insurances and highlights the sections of the insurance that have relevance to PSPL, Probus Clubs, Probus Associations and Probus Club Members. This Summary should not be treated as a replacement for the relevant policy documents (which are available upon request). As with any insurance policy, coverage is subject to the terms, conditions, limitations and exclusions detailed in the policy documents.

Summary of all Policies

The Program provides coverage for all participants in an approved Probus activity. These activities include any event organised by an accredited Probus Club or Association such as meetings, outings, tours, trips and interest groups. The approval of the activity should be reflected in the Probus Club or Association minutes. The Program has the following categories:

Personal Accident - this provides lump sum benefits and non-medicare related expenses if an Insured/Covered Person is accidentally injured whilst on approved Probus Club and/or Probus Association activities. Medical expenses that attract a Medicare benefit, whether claimed or not, are not covered under this Policy.

Public Liability – this protects Probus Clubs and Members if they are found legally liable (negligent) in causing bodily injury or damage to a third party's property. It is important to note that in the majority of cases, Public Liability coverage would be available through a third-party provider or operator of the activity, event or service that Probus Club members are participating in.

Association Liability – this is protection for Club Management Committee members in the event that they receive an allegation of wrongdoing or a wrongful act.

Club Money – this is self-funded by PSPL and provides coverage to Probus Clubs and Associations for theft up to $5,000 per Club or Association.

RISK MANAGEMENT

Effective risk management assists in ensuring the safety of participants and, in turn, the success of Probus activities. Although it is not mandatory to have a Risk Management Policy in place, PSPL recommends that Clubs and Associations implement a risk management process when approving activities. Please refer to the Risk Management Policy Guidelines and associated checklist in the Members Login section of the PSPL website.

CERTIFICATE OF CURRENCY

The certificate of currency for Public Liability can be found in the Members Login section of the PSPL website.

Claims Procedures

The system of reporting and investigating accidents and losses has been arranged so that claims can be processed and settled with a minimum of delay. Therefore, it is important to lodge claims as soon as practicable after an accident, injury or incident.

To lodge a claim, please follow the instructions below:

1. A member of the Management Committee is required to complete the PSPL Incident Report Form available in the Members Login section of the PSPL website. This confirms that the incident was related to an approved Probus Club/Association activity.
2. On receipt of the Incident Report Form, PSPL will provide a claim form to the relevant parties. Completed claim forms with supporting documentation and/or receipts should be returned as soon as possible to:

   Probus South Pacific Limited
   PO Box 1294
   Parramatta NSW 2124
   or
   emailed to **general@probussouthpacific.org**
3. In regard to claims which relate particularly to third party claims against you i.e. Public Liability, please do not incur any expense by litigation or agreement, or admit liability verbally or in writing, otherwise you may prejudice your claim. Any summons, writ or other legal demand must immediately be directed to **Aon Risk Services Ltd.**
4. It is important that any incidents that could lead to a claim against the Association Liability Insurance are reported to insurers during the policy year that you become aware of such incidents. Failure to do so may see a claim denied by the insurers.

About Aon

Aon Australia's Charitable & Community Partnerships

At Aon, we believe businesses succeed when the communities they serve and the people they employ flourish. To that end, Aon has registered charitable foundations or funds set up in Australia, Brazil, France, India, Spain and the United Kingdom to formalise these partnerships and commit measurable targets for volunteering and donations. This allows us to be truly accountable to these organisations and ensure we are living by our company values of integrity, openness, commitment, innovation and teamwork.

Further, in alignment with Aon's core value proposition to help organisations everywhere become better informed and better advised — we offer a range of risk management and insurance advisory services to charity and community-led organisations both in Australia and around the world.
